

**INVITATION TO BECOME A PART OF
“AGILE TOUR LITHUANIA 2017”
AS A SPONSOR**

Agile LIETUVA is a series of non-profit events organized by Lithuanian Agile community and part of the worldwide Agile Tour brand. It is the most significant annual Agile PM event in Lithuania since 2010, gathering approximately from 300 to 500 unique participants each time.

Every year it brings together various IT professionals: **developers, testers, executives, coaches, managers and other enthusiasts interested in Agile Project management.**

agile tour Lithuania 2017 consists of two all day multitrack events, which will take place on **5th of October in Kaunas** and **12th of October in Vilnius.**

The conference program has several tracks, which includes talks, workshops and interactive sessions in English and Lithuanian by speakers coming from all over the world.

We invite you to contribute to the organization of events! You will find below options of available sponsorship:
